Curriculum Write Up!

Creative Curriculmn – Exercise Study – 4 weeks long

Exploring the topic: What do we know about exercise? What do we want to find out?

Week 1 – Objective: What are different kinds of exercise?

Book: Bearobics

Week 2 – Objective: How do our bodies work when we exercise?

Book: From Head to Toe

Week 3 – Objective: What do our bodies need in order to move and exercise?

Book: No Jumping on the Bed!

Week 4 – Objective: What jobs are related to exercise?

Book: Things I Like Doing

Summary: This month we will be doing a study all about exercise! Young children are constantly on the move which makes this study so exciting and enjoyable to learn about. We will be trying many different types of exercise, finding how our bodies work and move, and learning how we can take care of and fuel our bodies to move and exercise. This study will largely focus on physical development, but also include science, literacy, and math as well.
