

November Family Project

Due Date: Friday, November 20, 2026

We are challenging our Growing and Knowing Academy children and families to put their creative minds to work to create an original design for Thanksgiving! This Tom Turkey does not want to be eaten on Thanksgiving Day! Brainstorm together some fun ways to disguise him so the farmer can't find him when it's time for dinner! The sky is the limit, so be creative! We have the turkey patterns here at the school that need to be disguised. If you choose to do this fun family project see a teacher for a copy of the pattern. You can use and create whatever you would like. PLEASE be sure to secure and glue everything on the turkey, so nothing falls off! We will have the children take turns talking about their turkey in front of their class on Monday, November 24th .

ALL Turkeys are due on FRIDAY, NOVEMBER 20th, to be shown to the class on Monday November 23rd!

When you submit your Turkey please write on the back the following information:

1. Child's name
2. What the name of your turkey is.
3. What your turkey disguise is.

The turkey family project is optional. If you choose not to make a turkey with your child it is absolutely fine.

Have FUN, be CREATIVE and ENJOY the family time!

Any questions see a teacher and we will be happy to answer them!

Thank you in advance for your participation!!
