# Curriculum Write Up!

Creative Curriculum – Water Study – 4 weeks long

**Week 1** – Objective: Where can we find water?

Book: Back to the Sea

**Week 2** – Objective: What happens to water when it changes temperature?

Book: Rain

**Week 3** – Objective: What happens when we put things in water?

Book: Water

**Week 4** – Objective: How does water help us?

Book: The Water Cycle

Summary: Young children are often naturally drawn to water. They explore and play through handwashing, puddle jumping, or taking a bath. Water is essential to life and used everyday. The children will learn and investigate about how water is used in helping people and the environment.
