29 THEME: **Ornaments** Number: Patterns Letter: Oo Color: White & Clear Shape: Circle	30 Snowman					

Curriculum Write Up!

Creative Curriculmn – Bread Study – 4 weeks long

Week 1 – Objective: What is bread?

Book: Crumbs

Week 2 – Objective: How is bread made?

Book: What Should I Make?

Week 3 – Objective: What can we make with bread?

Book: Tortillas

Week 4 – Objective: Who works with bread?

Book: How Did That Get in my Lunchbox?

Summary: This study will support children's natural tendancy to examine, taste and explore breads of all kinds. We will investigate the characteristics of bread, make predictions about how bread is made and experiment with materials used to bake bread throughout the month. This study will allow the class time to expand in skills such as math, literacy and science. Our Owl class loves learning and snacking. Why not take this as an opportunity to do both.
