

Dear Parents,

We're spreading love & kindness this Valentine's season with some FUN Activities and we would love for you to join!

## At-Home Heart Collage

We invite you to create a heart collage with your child at home. Simply cut out hearts from magazines, colored paper, or fabric and glue onto a larger sheet of paper. Your child can decorate it however they like with things they love!

They will share their creation with their classmates and proudly display them! Please send in your heart collage by Wednesday, February 11<sup>th</sup>!

## At-School Heart Hunt

On Friday, February 13<sup>th</sup>, we'll be hosting a Heart Hunt in each classroom and we'd love for parents to help! We'll hide special paper hearts around the room and the children will search for them. Each heart should have a kind message for your child that we will read aloud! Please send in your heart(s) by Wednesday, February 11<sup>th</sup>!

Any questions see a teacher, we will be happy to answer them.
