Week 4 – Objective: When do things happen at school?

Book: Peeny Butter Fudge

Summary: Welcome preschoolers! We are so happy to have you in our class this year! We will start September with a study that will help ease the transition from summer to back to school. Anticipating the needs of the children will make them feel more comfortable and secure especially since there are so many unknowns. Currently, over the course of this month we will learn more about our teachers and friends. What we should do in case we are feeling scared or upset, what our classroom rules are and who else works or helps at our school. This new information will allow our students to begin school with all the tools they need for a successful year of preschool!!

****PLEASE SEND IN A FAMILY PHOTO** – so we can share with the class and then hang it up in our classroom. **
