

Valentine's Day Cards

This year for the Valentine's Day Cards, please only fill in who the card is from. It is easier to have the children handout their own Valentine's to their classmates. Please do not feel the need to have cards for the entire school. We do ask that you at least do your child's entire class. With that being said - below I will list all of the classes and the amount of students in each class. This way you know how many Valentine's to have your child fill out (with their name only). If you have any questions please see a teacher.

Classroom Names & the amount of student's in each class:

Baby Room - 10

Toddler Class - 14

Bumble Bee Class - 22

Owls/GKA Preschool Class - 20

Vernon Free Preschool - 15

Here is a list of the teacher's and teacher's assistants.
