Summer Schedule 2026

Dear parents and students,

Ziegler Dance Centre will be offering summer technique classes. It's a pay by class plan without any special attendance rule. This is a good time for students to continue their development in a particular dance form or to try a new style of dance. All Classes begin **Tuesday, July 14th and continue for 5 weeks. The last day is August 11th.**

Reserve your child's spot TODAY!! Ask what class your child belongs in and return the bottom half of the form to your child's teacher before Saturday, June 20th. For new students there is a **one time** registration fee of \$20.00. Hour long classes will be \$14.00 each. Payment is due at the time class is taken. Monthly charges can be arranged. Please keep in mind these are workshops, so the age range is not a reflection of our September scheduling. The following classes will be offered:
