

**Hey Parents!!**

**Do you or someone you know do something fun or have an interesting hobby that the children would love to see or learn about? Would you want to come show/demonstrate or do a hands on lesson with the Summer Camp children and/or another class? See Mrs. Gail or Mr. Rob to set it up.**

**Examples: Do you do underwater basket weaving? Play the guitar? Sew? Knit? Make something out of the ordinary. Like to bake? Take pictures? Cook? Face paint? And sooo much more....**

**Any and all ideas are welcome!!**
