

It's Nap Time!!!

We are back to the regular schedule now that summer is over! Please remember every Monday (or whatever your child's first day of the week is) to send in a crib sheet, blanket and whatever you child would like to nap with. If you forget your child's sheet there will be a \$5 laundry fee charged for using a school sheet. If you prefer to use a school sheet, it is \$5 a week charge. If you send in your own sheets there is no charge. Each child needs their nap time items in a reusable vinyl/plastic bag (no cloth bags or pillow cases allowed per the state). Please see Mr. Rob or Mrs. Gail if you have any questions.

Regardless if you child naps or not per the State of New Jersey each child is required to lay down on a cot for 20 minutes.
