

# PARENTS!

## ARE YOU IN THE RIGHT CLASSROOM ON THE REMIND APP?

Yes, that's right each classroom at GKA now has their own remind app. Are you missing important information from your child's teacher?

Please ask a staff member for your child's classroom code.

The School Age students here also have their own classroom code to hear all of the last information that they need to know.

The General Growing and Knowing Account where everyone is on will no longer exist as of Friday, October 7<sup>th</sup>.

Any Questions Please see a Staff Member
