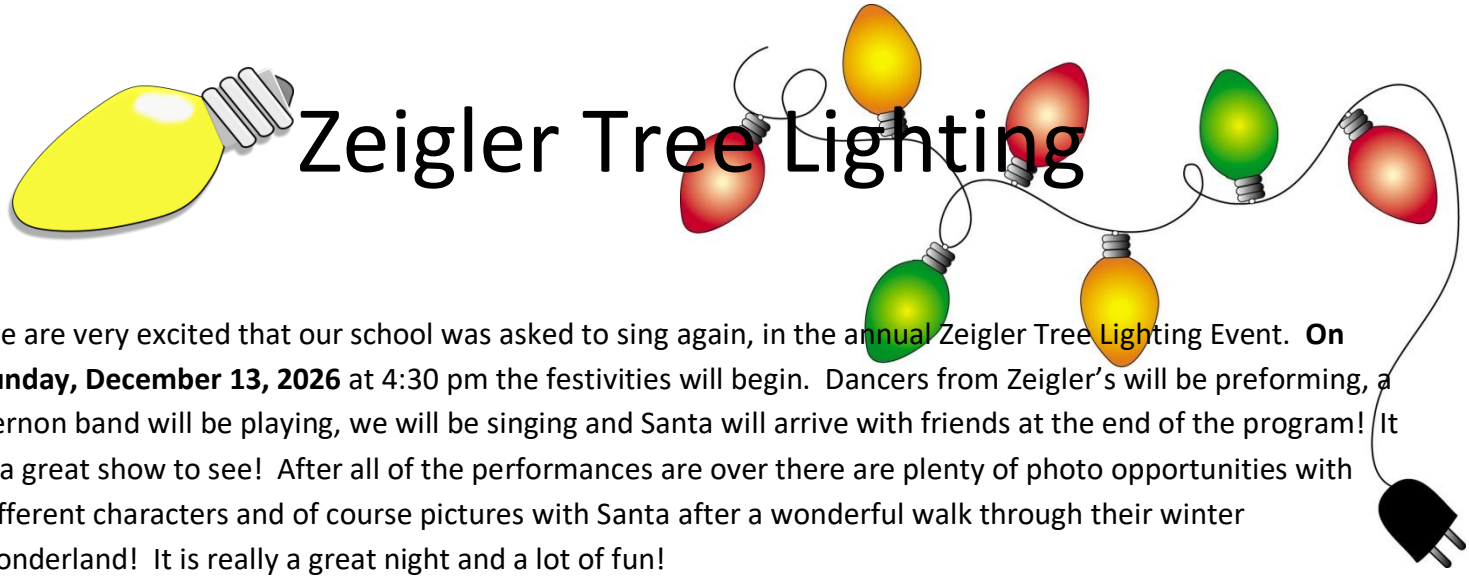
Zeigler Tree Lighting



We are very excited that our school was asked to sing again, in the annual Zeigler Tree Lighting Event. **On Sunday, December 13, 2026** at 4:30 pm the festivities will begin. Dancers from Zeigler's will be preforming, a Vernon band will be playing, we will be singing and Santa will arrive with friends at the end of the program! It is a great show to see! After all of the performances are over there are plenty of photo opportunities with different characters and of course pictures with Santa after a wonderful walk through their winter wonderland! It is really a great night and a lot of fun!

If you decide to have your child sing in this event – this is optional – we would love to have everyone come and sing – everyone that attends our school is more than welcome to participate – here is what you need to know:

- Growing and Knowing Academy will be open at **3:45 pm** that day for the children. We will be singing, dancing, playing and warming up. Lots of fun things going on!!
- You are more than welcome to drop your child off and get a few things done before the show begins!
- Please arrive at the school before 4:00 pm. We need to walk down to get ready to sing, if not meet us down at Zeigler's Dance Centre in Studio B by 4:20 pm the latest!
- Just so you know it is easier to arrive earlier – parking is limited and the later you get here the further the parking spot you will get.
- If possible your child can dress as festive as you want!
- All children will be released from right side of the parking lot at Zeigler's Dance after the performance. Our staff members will be with the students until their parents come for them.
- You can invite whomever you would like to come and watch them sing on stage. All friends, family and etc.… are more than welcome to come and enjoy.

A few days before the performance we will practice on the stage to rehearse.

We would like to thank everyone for taking time out of your busy schedules to spend an extra night with us celebrating the tree lighting with Zeigler Dance Centre!

******Please fill out and return to Mrs. Gail by Wednesday, December 9th – this way we know who is coming!!******

Student's Name: _____

My child _____ will sing or _____ my child will **not** sing

At the Ziegler tree lighting event, on Sunday, December 13, 2026.
